

Interviewing for the Professional Pilot

The event will outline typical procedures used by the airline industry in their pilot selection process. Discussions will include the technical interview, HR interview, and flight simulator checks. The event will have a group presentation by several speakers that have actual experience in the selection of pilots. After the group presentation, time will be given for individual questions.

Directions: US Aviation Academy is at the end Spartan Drive on the Denton Airport.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
